

Jubileumpolskan

Bodapolska efter Jöns Jonas Hansson
Efter Sven-Erik Hansson

BlueRoseMusic.org (#2903)
Printed by Karen Myers

This is a tune Sven-Erik's father Jöns Jonas played. It disappeared, then 40 years later it popped into Sven-Erik's head. But when he got home to play it, it was gone. Five years later when it came back to him, he sang it all the way home to keep it in mind.
